Veterans of the Cross

"Remember your leaders, those who spoke to you the word of God. Consider the outcome of their way of life, and imitate their faith" (Heb.13:7).

What is Veterans of the Cross?

There are retired church workers who receive modest or no retirement benefits, who struggle to make ends meet, particularly when burdened with health issues or other financial strains. The Lutheran Church–Missouri Synod responds to the needs of our church veterans, providing pastoral care and case management. With financial gifts to Veterans of the Cross, supplementary assistance are given to these church veterans and their families to support their retirement fund for necessities like gas, electricity, and food.

"I cannot thank you all enough. This means so much to us, not just the financial help, but your care for us."

Rev. Watson retired after a stroke cut short his ministry among poorer, working class members of urban churches. After visiting and assisting him with budget development, he was accepted into Veterans of the Cross.
