Soldiers of the Cross

"One our Synod's top priorities must be helping our church workers in their time of need," said Rev. Dr. Matthew C. Harrison, LCMS president. "Many have given a large portion of their lives to serve, very often in modest circumstances."

Since 2004, Soldiers of the Cross has provided emergency support and pastoral care for LCMS church workers based on financial need. Helping church workers retain health insurance is a top concern.

Responding to Great Need
Since its inception, Soldiers of the Cross has seen the number of grant requests exceed the funds available every year. And, a growing number of recipients require assistance for longer periods.

Your Gifts are Critical
The Lutheran Church–Missouri Synod depends solely on donor contributions to make these grants. The Soldiers of the Cross fund is near depletion, so your support is needed more than ever. Please consider making a gift so that Soldiers of the Cross can continue to receive much-needed assistance.
