

URGENT NEED: Spring Tornado Relief

On April 27, in what the National Weather Service called a “tragically historic day of tornadic activity and severe weather,” hundreds of tornadoes ripped across the South, killing more than 290 people, demolishing homes and destroying belongings.

Alabama and Mississippi suffered the most. “There are hardly words to describe the damage,” said Rev. Glenn Merritt, director of Disaster Response with LCMS World Relief and Human Care (WR-HC). In Cullman, Ala., St. Paul’s Lutheran Church and its accompanying school experienced extensive damage.

As assessment of need continues, the LCMS stands ready to assist, bringing “mercy and reassurance to our members, districts and congregations,” says Merritt.
